

SCARCITY OF MEAT HAS RAISED PRICE

Roast, Steaks, and Pork Go Up
As Western Shipments Fail
to Arrive in the East.

Further advances in meat prices are announced in the markets today, as the result of scarcity of beef. Chuck roast goes to 20 cents for best grades; porterhouse roast makes a straight advance of 5 cents a pound; prime roast goes to 28 cents for best quality; an advance of 3 cents a pound; sirloin and porterhouse steak are also advanced in price 5 cents for all grades.

Pork, in keeping with the announcement earlier in the week that hogs were scarce, has also been lifted slightly, 2 cents for spare ribs and a half, 5 cents a pound for sausage.

The fish market remains firm. Bass was taken off the market April 1, in accordance with laws regulating the breeding season, and will not appear again until June 1. Herrings have been in use for some time, at 25 cents a dozen. Soft shell crabs are 41 a dozen. Lobsters are scarce, and high in consequence. The price has been boosted 5 cents a pound since last week. There are plenty of shad, and the price remains the same.

Spring Vegetables Here.

Spring vegetables continue to come in larger quantities as the season advances. Florida asparagus is out of the market, and the supply comes from North Carolina. The market is about over for Florida tomatoes, and the Mississippi supply is coming in rapidly. There is a tendency for products nearer home to come in, although this has not been strong enough as yet to lower prices.

Chops, veal, a lb. 10000

RESINOL CURED AWFUL PIMPLES

Whole Face Covered. Now Clear.

Brooklyn, N. Y., Oct. 2, 1912. "I was troubled with two or three pimples coming out on my chin. In a week or so my whole face was covered with them. Friends advised me to use different lotions and salves. I tried them, but they did me little good, if any. I finally washed the pimples with Resinol Soap and applied Resinol Ointment before going to bed. In the morning I found the swelling going down, and the inflammation gone from the pimples. I tried this treatment for about a week, and found that most of the pimples had disappeared. I kept the treatment up for about a month, and then my face was clear of all pimples. I have used Resinol Soap since, and find that the pimples do not come back. (Signed) Walter A. Stenstrom, 54 Willoughby Ave.

Nothing we can say of Resinol equals what others, such as Mr. Stenstrom, say of it. If you are suffering from itching, burning skin troubles, pimples, blackheads, dandruff, chapped face and hands, ulcers, boils, stubborn sores, or piles, it will cure you nothing to try Resinol Ointment and Resinol Soap. Just send to Dept. 16-7, Resinol, Baltimore, Md., for a free sample of each. Every drugist sells Resinol.—Adv.

UNSAFE MUZZLES ON SUBURB'S DOGS

Alexandria Man Bitten By Dog Wearing One of Popular Style
Will Take Treatment for Rabies—Eastern Star
Aids in Instituting New Chapter.

WASHINGTON TIMES BUREAU.

ALEXANDRIA, VA., APRIL 11.

The statement that nine-tenths of the muzzles used on dogs in Alexandria were absolutely useless was made in police court today by W. B. Archer, who was bitten yesterday afternoon by a muzzled dog. Mr. Archer was riding a bicycle near the corner of Alfred and Queen streets, at 5 o'clock, when he was attacked by a large shepherd dog belonging to Mrs. Thomas E. Beach, of 300 North Alfred street. He was severely bitten on the leg, although the dog wore a strap muzzle, similar to those worn by practically all dogs in Alexandria. Mr. Archer's wounds were cauterized by Dr. J. E. W. Timmerman and he will take the Pasteur treatment.

In police court today, Justice Caton ordered the dog killed and the head sent to the Bureau of Animal Research, in Washington, for examination to determine whether or not the animal was afflicted with rabies.

A large delegation of members of the Daughters of the Eastern Star accompanied the officers of Martha Washington Chapter, No. 42, of this city, to Clarendon last night, where they assisted Grand Worthy Patron Taylor of Roanoke, in instituting a new chapter in that place. The new chapter was named the Mary Washington Chapter, and the following officers were installed: Mrs. W. C. Welburn, worthy patron; William C. Shelley, worthy patroness; Mrs. A. D. Torreyson, assistant patroness; Mrs. Mary E. Simpson, secretary; Mrs. Julia Mason, treasurer; Mrs. Mary E. Thurber, conductress; Mrs. Anna N. Williams, assistant conductress; Mrs. William G. Burch, marshal; Mrs. George H. Rucker, chaplain; Mrs.

Cathryn Kerr, Ada, Mrs. J. M. Maynard, Ruth; Miss Marianne Rucker, Esther; Miss Margaret Stewart, Martha; Mrs. R. V. Snyder, Electa; Mrs. L. Shipman, organist; Mrs. Ella Shippe, warder, and John Sebastian, sentinel. The new chapter starts with a membership of fifty-five. At the conclusion of the installation a banquet was served the Alexandria visitors. The members of Martha Washington Chapter will accompany Grand Worthy Patron Taylor to Falls Church tonight, where another chapter will be instituted.

The corporation court will open for its April term Monday, when a number of important criminal cases will be set for trial.

The new Westminster building will be used for the first time tonight, when a meeting of the Westminster League, an organization of young people connected with the Second Presbyterian Church, will be held in the assembly room.

Charles Vick, colored, charged with robbing a postoffice, was taken to Richmond today by Assistant United States Marshal Schoen, where his trial will take place tomorrow before the United States court.

Augustus G. Islar, colored school teacher, died in his home, 1211 Cameron street, last night.

The opening of the Festival of the Holidays, which is being given under the auspices of the rectory's circles of St. Paul's Church, took place last night. The parish hall has been attractively decorated, and the opening was attended by many members of the congregation and their friends.

Lecture on Child Life By Sara Walrath Lyons

The movement to improve the conditions of child life, especially in the larger cities of the country, will be considered next Tuesday evening by Mrs. Sara Walrath Lyons, lecturer of the Civic Forum Lecture Bureau of New York, at the old Masonic Temple, Ninth and F streets, under the subject, "The Child as a National Asset."

The lecture will be illustrated with stereoscopic views. Mrs. Lyons has been associated with the public lecture course of New York City, and is identified with the American Institute of Social Service as a lecturer, and with the Woman's Christian Temperance Union as a lecturer in the department of health and heredity.

Mrs. Lyons is warmly commended by Dr. Harvey W. Wiley, Mrs. Ella Wheeler Wilcox, the Rev. Josiah Strong, president of the American Institute of Social Service; Dr. John Balcom Shaw, of Chicago.

McADOO LIFTS HIS EMBARGO ON NEWS

Chiefs in Treasury Are Again
Allowed to Give Out Any
Routine Matters.

The news embargo placed upon the Treasury Department by Secretary McAdoo has been partially lifted. In the future Assistant Secretaries and other responsible officials may give out purely routine matters, referring to the Secretary all questions involving administrative policy, or having a bearing upon the administrative activities of the department.

In its original form, the Secretary's order was an absolute embargo, "gagging" every official and employee, and blanketing the activities of the department. All sources of information were closed to the newspapers, to Congressmen and others. Trivial matters that had, in years past, been published at Government expense for the benefit of the people and the service were withheld.

After reconsideration, Secretary McAdoo has revised the order, and it is understood that releases by the Revenue Cutter Service, Treasury decisions, questions of public health and sanitation, contracts for public buildings and other similar routine will be made public as usual.

This action follows many protests, arising because it was manifestly impossible for all seekers for information to see the Secretary and, even could they interview him, he had no knowledge of these purely routine activities.

A second circular has been sent out to assistant secretaries, bureau and division chiefs, notifying them of a change in the interpretation of the first order.

Must Pay Note Before Funds Are Distributed

Before there can be any distribution of the accumulated funds of the defunct First Co-operative Building Association of Georgetown among the stockholders, a note for \$25,000 given to the Farmers' and Mechanics' Bank of Georgetown must be paid.

Justice Barnard handed down an opinion to this effect today in Equity Court No. 1, in the suit of the estate of S. Thomas Brown, owner of the note. It was held by the court that the note was authorized by the board of directors of the association, and therefore must be paid before there is any distribution.

W. E. Ambrose, receiver, will probably carry the case to the Court of Appeals. He has collected about \$22,000 from accounts due the association, but it is expected that the payment of the note and cost of the litigation will deplete the fund.

J. J. Darlington and C. H. Cragin were attorneys for Mr. Brown's estate.

FRIEDMANN TO GIVE SECRET TO DOCTORS

First Instructions in Use of Remedy To Be Issued to Providence Physicians Today.

PROVIDENCE, R. I., April 11.—The first instruction of physicians in the use of his tuberculosis cure has been promised to Providence physicians here today by Dr. F. F. Friedmann. The German savant declared the local medical men had honored him with such open confidence in his remedy that they deserved to be the first to profit by his discovery.

A conference was arranged for today between Dr. Friedmann and Drs. William G. Dwinell, H. L. Barnes, E. W. Starr, and W. L. Harris, during which the instruction was to be given. Dr. Friedmann predicted complete cures for the fifteen patients he treated yesterday. He said he would leave late today or tomorrow morning for Washington to attend the Gridiron Club dinner Saturday night, and will return the next day.

WILMINGTON, DEL., April 11.—Through the good offices of Governor Pothier of Rhode Island, with whom Gov. Charles R. Miller, of Delaware, communicated, Dr. Friedmann will give his treatment to a former business partner of Governor Miller. Dr. Friedmann had refused to take on new patients, but as a courtesy to the Rhode Island governor, he consented to give the treatment to this new patient, provided there was no publicity. In some manner it became known.

THE FRANTIC RUSH DESTROYS VITALITY

Mi-o-na Builds and Strengthens the Stomach.

The stress and strain of the strenuous life in both city and country tend toward stomach trouble. The frantic rush for pleasure, money and excitement is bringing serious results. Elaborate food, late suppers and over-eating are some of the causes of stomach weakness.

If you are one of the sufferers, do not despair. Immediate relief is at hand. Mi-o-na Stomach Tablets, sold in all drug stores, are a specific for out-of-order stomachs.

Mi-o-na is not only a digestive, but a stimulant and strengthener of the stomach walls. It increases the flow of digestive fluids, soothes the irritated membrane, and puts the stomach in shape to do the work nature intended, so that all the nourishment is taken from the food and the system is supplied with rich red blood, meaning perfect health.

If suffering with indigestion, dyspepsia, gastritis, or any of the various forms of stomach misery, usually indicated by distress after eating, headache, dizziness, or sour stomach, do not wait—take Mi-o-na today—delays are dangerous.

Mi-o-na is always sold on money back is not satisfied plan. O'Donnell's Drug store and druggists everywhere. See a large box—Adv.

CAUSES OF STRIKE TO BE INVESTIGATED

Chairman of New York Board
of Arbitration to Take Up
Buffalo Situation.

BUFFALO, N. Y., April 11.—Interest in the carmen's strike today centered chiefly in the continued negotiations of the strike leaders and representatives of the International Railway Company before Mayor Fuhrmann.

Chairman William C. Rogers, of the State board of mediation, said there would be an investigation of the causes of the strike, and recommendations will be made to both sides. He called a meeting of the board for 10 o'clock tomorrow morning. Subpoenas will be issued today for President E. G. Connelley, of the traction company, and members of the strikers' union.

The company made its first concession by offering to reinstate the men, whether they have joined a union or not. The company offered within ten days thereafter to receive a committee of its employees and take up all grievances, and if these could not be adjusted by conference, to arbitrate them.

The leader of the strike objected to the word "employees," and demanded that "association" be substituted for it. It was on this word that the conference deadlocked. The rain discouraged the assembling of street crowds last night, and there was little disorder.

The company announced it would resume the running of cars on two lines before noon today. The militia patrolled the streets in the afternoon, and the car barns and power houses and guarded the thoroughfares where cars were being run.

Newspaper Reporter "Tramping" on Wager

Taken in custody last night by Detective Wenden on Pennsylvania avenue as a suspicious character, a young man who said he was Robert Endicott, convinced the police he was a Chicago newspaper reporter on his way back from Boston where he had traveled as "blind baggage" to win a wager of \$500.

Camden Postmaster Dies.

CAMDEN, N. J., April 11.—Postmaster Robert L. Barber died this morning, following an attack of pneumonia. He was sixty-four years old. Prior to his appointment as postmaster he served ten years as county clerk. He was unmarried.

Warner's Safe Remedies

Sluggish Liver

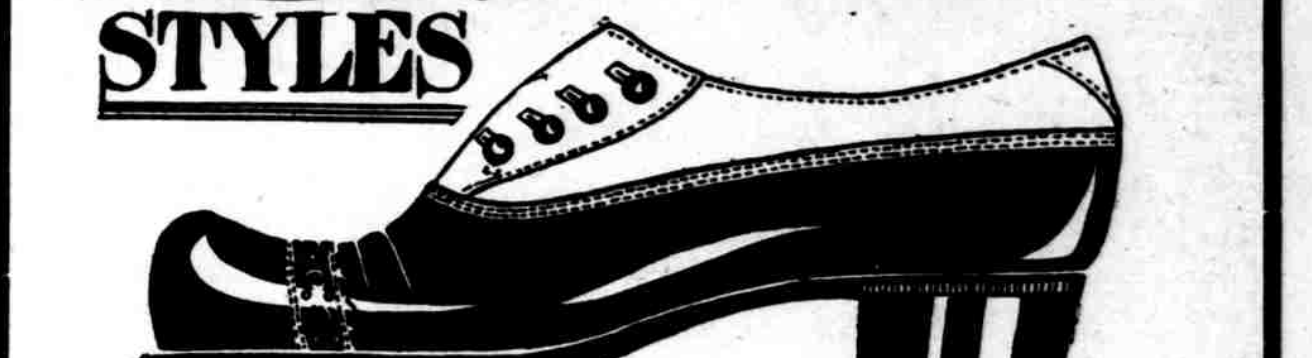

You will enjoy better health if you tone up the action of your liver occasionally. Because in winter there is relatively heavier eating to supply the extra heat required and comparatively less exercise in the open air, early spring is a good time to have an "organic housecleaning" to remove congestion and to stimulate the sluggish flow of blood through the liver.

Warner's Safe Kidney and Liver Remedy

which is noted for its effectiveness in kidney and liver troubles. It is a carefully prepared healing medical agent that has brought relief and health to thousands of sufferers who unhesitatingly endorse it. If you send a statement of your case our doctor will advise free. All communications strictly confidential.

SOLELY BY ALL DRUGGISTS. This is a free copy of the number of cases cured by Warner's Safe Remedies Co. Dept. 211, Rochester, N. Y.

HIRSH'S MEN'S SHOES

The Dollar-Less Price The Dollar-More Value

The most extraordinary shoe values ever shown in this establishment of great values is now here. In the beauty of their design, the quality of the materials, and the superb workmanship throughout they are unequalled at the price.

Every pair represents genuine \$3.50 value, but our method of selling direct from factory to wearer, together with our location out of the high rental district, enables us to sell them at \$2.50, and you
